BABY OF THE CLASS OF
1921 DIES AT JOHANNESBURG
Word has been received from Mr. Perry J. Stevenson of the death of his
youngest child, Horace L. Stevenson, at Johannesburg, South Africa.
Mr. Stevenson will be remembered as president of the Class of 1921 in
its freshman year. The child which died was the one born to Mr. and Mrs.
Stevenson while Mr. Stevenson was at the College, and was known as the
"class baby."
The Stevensons have been making their home at Johannesburg for some
time, as Mr. Stevenson is representing the United States Department of Com-
merce there.

KAPPA BETA PI GODMOTHER
TO TWO FRENCH ORPHANS
Julia Banks Submit Information of Sorority Work for The College
Grit Readers.
Not all the benefit derived from study of law at our College is reserved
for the United States, as is evidenced by the information sent The College
Grit by Julia Banks, scribe of Kappa Beta Pi.
During the past two years this chapter of Kappa Beta Pi. Legal Sorority has
been a godmother to two French or-
phans. We could not decide whether we would adopt a boy or a girl, so we
compromised by taking both.
"The girl is Marie Antoinette Plout, 13 years old, who lives with her
grandparents at Troyes, Aube, France. She is a very bright child and most
appreciative of the old given by her
American friends.
"Our first boy was Eugene Guibold, 8 years old, who lives with his
widowed mother in Le Pinnet, Char-
nieur, Isere. The Paris office has
advised us that he died. His father, a
fisherman by occupation, was killed in
the early part of the year. He was in
the maritime service. They substitutions
in his place. Maurice Thiebaut who lives
in Rennes district. He is 11 years old.
"Our contributions pass through what is known as "The Fatherless
Children of France." They have an
office in Washington and one in Paris.
The French government contributes
an amount equal to that received from
us and thereby the children are en-
able to live with their remaining par-
tent or any near relative, instead of in
a public charitable institution.
"Some of the letters we receive will
be published soon.
"The chapter held a meeting last
week at Miss Christine Quigley's office
in the Mansion Building, for the pur-
pose of voting on new members. Four
young ladies will soon be asked to
meet for the purpose of initiating
which is hoped they will enjoy.

YOUTH FINED 15 CENTS.
"Presumed to Have Intended the Natu-
ral Consequences of His Act." At
Frederick, Md., Friday, a boy 15
years old was fined 15 cents for hitting
Mrs. James Boyle in the head with a
stone, which he claimed "he threw at a
dog.

BILL COMES TO HELP OLGA.
It may be a mere coincidence, but
William Marceletta, came to town the
night his sister, Olga Marceletta, was
elected treasurer of the class of 1922.
Appearances are that he hobbed up to
help her in her new duties.

OPTOMETRIST

2121 G ST. NW.,
Washington, D. C.
Letters from many parts of the nation have arrived at The College Grit. These letters are from alumni members, who look upon this publication as the one influence which will amalgamate the increasing numbers of the alumni with all their other mates.

"Every one who is interested in Washington College will read these letters and realize that they feel the same as I do. We feel that the College Grit is the best thing, and that it brings out the best in anyone who has attended an educational institution.

The letters speak for themselves:

In closed I am pleased to hand you my check for the sum of $1 covering one year's subscription to The College Grit. I trust that you will accept my contribution in this connection, in connection with the Alumni and the College. I have no doubt that you will receive the cooperation of everyone, in and out of the College.

With my best wishes for your continued success, permit me to remain,

Cordially yours,

LEOLOD V. FREUDER.

Woodward Bidg.

The College Grit received today its arrival brings back many pleasant recollections of my stay in Washington and the three years spent in the direction of Miss Gillett and her very capable faculty. It was a special hard work, but well worth while to have the pleasure of contact with folks that make one strive for higher and better things in life.

A gentle reminder of these associations of former days is worth the price of this issue.

HARBO SABINE.

Rockwood, Tenn.

Incensed please find one dollar for my subscription to The College Grit. This little publication fulfills a valuable desire I have had ever since June 20, 1825, when I realized I would only hear of or see the friends it was my pleasure to know at rare intervals.

I look back with pride and pleasure on the three years I spent at the Washington College. The College Grit is still the same, but the College has grown, and so have I.

JENNIE PROCTOR DECKMAN.

Baltimore, Md.

I want to thank you for sending me the College Grit, which came as a surprise, as I had heard nothing of its contemplated publication.

JUNIORS FINALLY CHOOSE OFFICERS

Tiie Resulting in Balloting for Treasurer for 1966 Friday, Night, Miss Marseglia Winning.

RUGG IS SALESMAN FOR SOAP

Once more the juniors tried to elect a class president. This time it "broke," though a recessed election was necessary, to decide the office of treasurer.

The slate now reads: President, Mr. C. C. Smith; first vice president, Miss Henry; second vice president, Miss Alda Smith; secretary, Miss Anna Boyle; treasurer, Miss Olga Marseglia.

In the regular election a tie resulted between Mr. Rollins and Mr. Marseglia. In the special election Miss Marseglia, the latter being chosen at the special election on Friday night called said for that purpose.

Much enthusiasm and anxiety was shown until the result of the balloting was made known to the class. Some disappointment was felt by the advocates of those choices did not win, but on the whole good fellowship was shown and the class welcomed the new officers with best wishes for a successful year.

Mrs. Fuller expects to return to the College next week. Very good news, because we have all missed her charming personality.

The junior class is quite fortunate in having an experienced salesman, Mr. Rugg. His "words and wares" are O. K., says Soap, and he has a wonderful possibilities of making an actoner of him.

FURNITURE IS NEEDED.

Because of lack of funds with which to get all the necessary furniture and provide other essentials for the College, and the much larger enrollment the College is expected to have next year, the expectation of chairs, desks and tables has resulted. Miss Pike has donated eight chairs, which is appreciated. Mrs. Mussey and Miss Gillett have found several sets of furniture in the last two years, and recently some chairs have been bought.

AMBDGA SIGMA CHI HOLDS BIG MEETING

Plans for Helping Building Fund Drive Discussed—Next Meeting To Be Held November 19.

GOODMAN READS INDICTMENT

Friday night the Lambda Sigma Chi fraternity had its first meeting of the year.

Miss Headie, a member of the fraternity, surprised the meeting by mentioning that the fraternity was making an effort to raise funds for the College. The meeting was called to order by the president, who read the minutes of the last meeting and the statement of the secretary. Miss Headie then announced that the fraternity would have a meeting on Friday night, and that the members would be expected to attend.

SPECIAL INTEREST TO SENIORS.

The assignment of cases for the seniors was made by the Evidence Committee. The seniors were to meet in the meeting room on Thursday, October 25, at 7:30 p.m., and in the meeting room on Thursday, October 26, at 7:30 p.m.

In the hands of the new officers are several details for the commencement exercises. Plans also will be made by the class leaders for participation in the drive to help the building fund.

PORTIA GOES TO CHINA.

Miss A. Viola Smith, who so ably interpreted the role of Portia at the Republican Convention last year, has returned to Washington from New York, where she has been engaged in business for the last few months.

Miss Smith will sail in a few weeks to take up her studies at the University of Tokyo, and will be among those who will make addresses.
